Section 1.1 Changes to the Monthly Plan Premium

	2025 (this year)	2026 (next year)
Monthly plan premium (You must also continue to pay your Medicare Part B premium.)	\$0	\$0 There is no change for the upcoming benefit year
Additional premium for optional supplemental benefits – Dental \$7,500 Annual allowance	\$42	Not covered

Factors that could change your Part D Premium Amount

- Late Enrollment Penalty - Your monthly plan premium will be *more* if you're required to pay a lifetime Part D late enrollment penalty for going without other drug coverage that's at least as good as Medicare drug coverage (also referred to as creditable coverage) for 63 days or more.
- Higher Income Surcharge - If you have a higher income, you may have to pay an additional amount each month directly to the government for Medicare drug coverage.

Section 1.2 Changes to Your Maximum Out-of-Pocket Amount

Medicare requires all health plans to limit how much you pay out of pocket for the year. This limit is called the maximum out-of-pocket amount. Once you've paid this amount, you generally pay nothing for covered Part A and Part B services the rest of the calendar year.

For more information on your rights when a network provider leaves our plan, go to Chapter 3, Section 2.3 of your *Evidence of Coverage*.

Amounts you pay for your prescription drugs can depend on which pharmacy you use. Medicare drug plans have a network of pharmacies. In most cases, your prescriptions are covered *only* if they are filled at one of our network pharmacies.

Section 1.6 Changes to Part D Drug Coverage

Changes to Our Drug List

Our list of covered drugs is called a formulary or Drug List. A copy of our Drug List is provided electronically.

We made changes to our Drug List, which could include removing or adding drugs, changing the restrictions that apply to our coverage for certain drugs, or moving them to a different cost-sharing tier. **Review the Drug List to make sure your drugs will be covered next year and to see if there will be any restrictions, or if your drug has been moved to a different cost-sharing tier.**

Most of the changes in the Drug List are new for the beginning of each year. However, we might make other changes that are allowed by Medicare rules that will affect you during the calendar year. We update our online Drug List at least monthly to provide the most up-to-date list of drugs. If we make a change that will affect your access to a drug you're taking, we'll send you a notice about the change.

If you're affected by a change in drug coverage at the beginning of the year or during the year, review Chapter 9 of your *Evidence of Coverage* and talk to your prescriber to find out your options, such as asking for a temporary supply, applying for an exception, and/or working to find a new drug. Call Member Services at 1-855-969-5882 (TTY users call 711) for more information.

Starting in 2026, we can immediately remove brand name drugs or original biological products on our Drug List if we replace them with new generics or certain biosimilar versions of the brand name drug or original biological product on the same or lower cost-sharing tier and the same or fewer restrictions. Also, when adding a new version, we can decide to keep the brand name drug or original biological product on our Drug List but immediately move it to a different cost-sharing tier or add new restrictions or both.

For example: If you take a brand name drug or biological product that's being replaced by a generic or biosimilar version, you may not get notice of the change 30 days in advance, or

before you get a month's supply of the brand name drug or biological product. You might get information on the specific change after the change is already made.

Some of these drug types may be new to you. For definitions of drug types, go to Chapter 12 of your *Evidence of Coverage*. The Food and Drug Administration (FDA) also provides consumer information on drugs. Go to the FDA website: www.FDA.gov/drugs/biosimilars/multimedia-education-materials-biosimilars#For%20Patients. You can also call Member Services at 1-855-969-5882 (TTY users call 711) or ask your health care provider, prescriber, or pharmacist for more information.

Section 1.7 Changes to Prescription Drug Benefits & Costs

Do you get Extra Help to pay for your drug coverage costs?

If you're in a program that helps pay for your drugs (Extra Help), **the information about costs for Part D drugs may not apply to you.** We sent you a separate material, called the *Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs*, which tells you about your drug costs. If you get Extra Help and you don't get this material by October 1, 2025, please call Member Services at 1-855-969-5882 (TTY users call 711) and ask for the *LIS Rider*.

Drug Payment Stages

There are **3 drug payment stages**: the Yearly Deductible Stage, the Initial Coverage Stage, and the Catastrophic Coverage Stage. The Coverage Gap Stage and the Coverage Gap Discount Program no longer exist in the Part D benefit.

- **Stage 1: Yearly Deductible**

We have no deductible, so this payment stage doesn't apply to you.

- **Stage 2: Initial Coverage**

you pay the yearly deductible, you move to the Initial Coverage Stage. In this stage, our plan pays its share of the cost of your drugs, and you pay your share of the cost. You generally stay in this stage until your year-to-date total drug costs reach \$2,100.

- **Stage 3: Catastrophic Coverage**

This is the third and final drug payment stage. In this stage, you pay nothing for your covered Part D drugs. You generally stay in this stage for the rest of the calendar year.

The Coverage Gap Discount Program has been replaced by the Manufacturer Discount Program. Under the Manufacturer Discount Program, drug manufacturers pay a portion of

our plan's full cost for covered Part D brand name drugs and biologics during the Initial Coverage Stage and the Catastrophic Coverage Stage. Discounts paid by manufacturers under the Manufacturer Discount Program don't count toward out-of-pocket costs.

Drug Costs in Stage 1: Yearly Deductible

The table shows your cost per prescription during this stage.

	2025 (this year)	2026 (next year)
Yearly Deductible	Because we have no deductible, this payment stage doesn't apply to you.	Because we have no deductible, this payment stage doesn't apply to you.

Drug Costs in Stage 2: Initial Coverage

The table shows your cost per prescription for a one-month (30 days) supply filled at a network pharmacy with standard cost sharing.

We changed the tier for some of the drugs on our Drug List. To see if your drugs will be in a different tier, look them up on the Drug List. Most adult Part D vaccines are covered at no cost to you. For more information about the costs of vaccines, or information about the costs for a long-term supply or for mail-order prescriptions, go to Chapter 6 of your *Evidence of Coverage*.

Once you've paid \$2,100 out of pocket for covered Part D drugs, you'll move to the next stage (the Catastrophic Coverage Stage).

Changes to the Catastrophic Coverage Stage

If you reach the Catastrophic Coverage Stage, you pay nothing for your covered Part D drugs and for excluded drugs that are covered under our enhanced benefit.

For specific information about your costs in the Catastrophic Coverage Stage, go to Chapter 6, Section 6 in your *Evidence of Coverage*.

SECTION 3 How to Change Plans

To stay in *Prominence Beyond* you don't need to do anything. Unless you sign up for a different plan or change to Original Medicare by December 7, you'll automatically be enrolled in our *Prominence Beyond*.

If you want to change plans for 2026, follow these steps:

- **To change to a different Medicare health plan**, enroll in the new plan. You'll be automatically disenrolled from *Prominence Beyond*.

Call Member Services at 1-855-969-5882 (TTY users call 711) for more information on how to do this. Or call **Medicare** at 1-800-MEDICARE (1-800-633-4227) and ask to be disenrolled. TTY users can call 1-877-486-2048. If you don't enroll in a Medicare drug plan, you may pay a Part D late enrollment penalty.
- **To learn more about Original Medicare and the different types of Medicare plans**, visit www.Medicare.gov, check the *Medicare & You 2026* handbook, call your State Health Insurance Assistance Program, or call 1-800-MEDICARE (1-800-633-4227).

Section 3.1 Deadlines for Changing Plans

People with Medicare can make changes to their coverage from **October 15 – December 7** each year.

If you enrolled in a Medicare Advantage plan for January 1, 2026, and don't like your plan choice, you can switch to another Medicare health plan (with or without Medicare drug coverage) or switch to Original Medicare (with or without separate Medicare drug coverage) between January 1 – March 31, 2026.

Section 3.2 Are there other times of the year to make a change?

In certain situations, people may have other chances to change their coverage during the year. Examples include people who:

- Have Medicaid
- Get Extra Help paying for their drugs
- Have or are leaving employer coverage
- Move out of our plan's service area

If you recently moved into, or currently live in, an institution (like a skilled nursing facility or long-term care hospital), you can change your Medicare coverage **at any time**. You can change to any other Medicare health plan (with or without Medicare drug coverage) or switch to Original Medicare (with or without Medicare drug coverage) at any time. If you recently moved out of an institution, you have an opportunity to switch plans or switch to Original Medicare for 2 full months after the month you move out.

SECTION 4 Get Help Paying for Prescription Drugs

You may qualify for help paying for prescription drugs. Different kinds of help are available:

- **Extra Help from Medicare.** People with limited incomes may qualify for Extra Help to pay for their prescription drug costs. If you qualify, Medicare could pay up to 75% or more of your drug costs including monthly drug plan premiums, yearly deductibles, and coinsurance. Also, people who qualify won't have a late enrollment penalty. To see if you qualify, call:
 - 1-800-MEDICARE (1-800-633-4227). TTY users can call 1-877-486-2048, 24 hours a day, 7 days a week.
 - Social Security at 1-800-772-1213 between 8 a.m. and 7 p.m., Monday – Friday for a representative. Automated messages are available 24 hours a day. TTY users can call 1-800-325-0778.
 - Your State Medicaid Office.
- **Help from your state's pharmaceutical assistance program (SPAP).** Texas has a program called Texas State Pharmaceutical Assistance Program (SPAP) that helps people pay for prescription drugs based on their financial need, age, or medical condition. To learn more about the program, check with your State Health Insurance Assistance Program. To get the phone number for your state, visit shiphelp.org, or call 1-800-MEDICARE.
- **Prescription Cost-sharing Assistance for Persons with HIV/AIDS.** The AIDS Drug Assistance Program (ADAP) helps ensure that ADAP-eligible people living with

HIV/AIDS have access to life-saving HIV medications. To be eligible for the ADAP operating in your state, you must meet certain criteria, including proof of state residence and HIV status, low income as defined by the state, and uninsured/under-insured status. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance through the Texas State Pharmaceutical Assistance Program (SPAP). For information on eligibility criteria, covered drugs, how to enroll in the program or if you are currently enrolled how to continue receiving assistance, call 1-800-255-1090 or 1-737-255-4300. Be sure, when calling, to inform them of your Medicare Part D plan name or policy number.

- **The Medicare Prescription Payment Plan.** The Medicare Prescription Payment Plan is a payment option that works with your current drug coverage to help you manage your out-of-pocket costs for drugs covered by our plan by spreading them across the calendar year (January – December). Anyone with a Medicare drug plan or Medicare health plan with drug coverage (like a Medicare Advantage plan with drug coverage) can use this payment option. **This payment option might help you manage your expenses, but it doesn't save you money or lower your drug costs.**

Extra Help from Medicare and help from your SPAP and ADAP, for those who qualify, is more advantageous than participation in the Medicare Prescription Payment Plan. All members are eligible to participate in the Medicare Prescription Payment Plan payment option. To learn more about this payment option, call us at 1-855-969-5882 (TTY users call 711) or visit www.Medicare.gov.
