

Turning 65?

Get Your Medicare Questions Answered

Fully understanding your healthcare coverage can be confusing. When you become eligible for Medicare it can seem like it's even more complicated.

Ask yourself these questions:

- Do you understand the four parts to Medicare: Parts A, B, C and D?
- Do you understand the difference between Medicare and Medicaid?
- Do you know you may be eligible for additional benefits beyond Original Medicare?
- Do you know if you are eligible to receive a low-income subsidy?
