## **Section 1 – Introduction**

This directory provides a list of Prominence Health Plan's network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

You will have to choose one of our network providers listed in this directory to be your **PPrimary CCare PProvider (PCP)**. Generally, you must get your health care services from your PCP.

There are several types of providers who may serve as your PCP, these include: Family Practice, General Practice, Internal Medicine and Geriatric Medicine. Also, a woman may self-refer to one of our women's health specialists (i.e., OB-GYN/GYN) listed in this directory for routine women's health services such as a Pap smear, pelvic examination and breast examination annually.

### **Your Primary Care Provider's (PCP) Role**

Your PCP is a provider who meets state requirements and is trained to provide you basic preventive and routine medical care. You will receive routine and preventive medical care from your PCP as well as referrals when it is necessary for you to see a specialist for specialized diagnosis, treatment, and care.

Your PCP will help you arrange or coordinate covered services such as x-rays, laboratory tests, therapies, hospital admissions, and follow-up care you receive. Your PCP and any of our plan specialists will also obtain pre-authorization with the plan on your behalf. Certain tests, procedures and services require pre-authorization in order to coordinate medical care and to help ensure that the treatment you receive is the most suitable treatment for your condition according to nationally recognized standards of medical care.

Since your PCP will provide and coordinate your medical care, you should have all of your medical records sent to your PCP's office.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory. If you have been going to one network provider, you are not required to continue going to that same provider. In some cases, you may get covered services from non-network providers. Other providers are available in our network.

## **Instructions for Non-Network Provider Bills You Receive**

Prominence Health Plan will cover some health care services that you may receive from non-network providers. These services include care for medical emergencies, urgently needed care, and renal dialysis that you receive when you are traveling outside the plan's service area, care that has been approved in advance by Prominence Health Plan or decided to be covered through an appeal process.

If a non-network provider gives you a bill for services in these situations, please contact Member Services at 855-969-5882 from 8 a.m. to 8 p.m., seven days a week from October 1 to March 31 and Monday through Friday from April 1 to September 30. TTY users should call 711. In cases where a non-network provider submits a bill directly to you, you should not pay the bill, but should submit it to the plan for processing and determination of your financial liability, if any.

## **Instructions for Emergency Care and Urgently Needed Care When Traveling Outside Our Service Area**

You can always receive emergency care in or out of the Prominence Health Plan service area from the nearest available provider. In the event of a life-threatening illness or injury, call 911 right away.

If you need care when you are traveling outside the Prominence Health Plan service area, your health care coverage is limited. Covered services include emergency care (including maintenance and hospital care until your condition is stabilized and you can be discharged safely from the hospital or transferred to a network hospital), urgently needed care, renal (kidney) dialysis, and care that Prominence Health Plan or a plan provider has approved in advance.

If you are not sure whether your symptoms require urgent or emergency medical care, we recommend you contact your PCP and discuss your condition and follow your doctor's advice on treatment.

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis. If you obtain routine care from out-of-network providers, neither Medicare nor Prominence Health Plan will be responsible for the costs.

## **What is the service area for Prominence Health Plan?**

The counties in our service area are listed below:

- Carson City, Nevada
- Churchill, Nevada
- Douglas County, Nevada
- Lyon County, Nevada
- Storey County, Nevada
- Washoe County, Nevada

## **How do you find Prominence Health Plan providers in your area?**

To choose a PCP from the Provider and Pharmacy Directory, turn to the Primary Care Providers section for a listing of Primary Care Providers in your area. You can also call Member Services. Please keep in mind that if you do not select a PCP at the time of enrollment, we will select one for you based on where you live. If you want to change to another PCP, you may do so at any time by calling Member Services. The name and office telephone number of your PCP is printed on your membership card.

If you have an emergency, we will talk with the doctors who are giving you emergency care to help manage and follow up on your care. The doctors who are giving you emergency care will decide when your condition is stable and the medical emergency is over. After the emergency is over you are entitled to follow-up care to be sure your condition continues to be stable. Your follow-up care will be covered by our plan. If your emergency care is provided by out-of-network providers, we will try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow.

## **Section 2 – List of Network Providers**

This directory is organized to help you find the type of provider you need. The directory is arranged by provider type, county and city. Look for the provider type needed, the county you live in (or one near you), your city and find a provider close to where you live. Prominence Health Plan may add or remove plan providers from our provider/pharmacy directory. You can also get current information about Prominence Health Plan providers in your area on our website [ProminenceMedicare.com](http://ProminenceMedicare.com).

Providers are listed in the following sections:

- Primary Care Providers (PCPs)
- Specialists

- Urgent Care Providers
- Hospitals
- Skilled Nursing Facilities (SNF)
- Outpatient Mental Health Providers
- Other Healthcare Providers
- Pharmacies

### **Concierge Service**

Concierge Service is a service in which an additional fee is paid to the Physician by the patient. Concierge retainer fees are not covered by Prominence Health Plan. These are independent arrangements made between a patient and his/her Physician and should be documented in writing between those two parties; members are responsible for these fees if seeing a physician with Concierge Service.

## CONVENIENCE CARE

*Convenient Care Centers are available to treat minor illnesses and injuries such as colds, earaches and minor cuts and scrapes. Although services available are not as comprehensive as an urgent care center, convenient care services are offered for times when your Primary Care Provider (PCP) is unavailable. The co-pay will be the same as a PCP visit.*

# Prominence Health Plan 2024 Pharmacy Directory

## Introduction

This booklet provides a list of Prominence Health Plan's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Prominence Health Plan's formulary.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Prominence Health Plan only if they are filled at a network pharmacy, or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of April 1, 2024. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact Prominence Health Plan.

## **Mail Order Pharmacy**

BirdiRx  
(833) 775-MEDS (6337) Option 2  
[www.birdirx.com](http://www.birdirx.com)

You can get prescription drugs shipped to your home through our network mail order delivery program.

For refills of your mail order prescriptions, please contact us 15 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time.

Typically, you should expect to receive your prescription drugs within 10 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at BirdiRx (833) 775-MEDS (6337) Option 2 (TTY: 711).

## **Home Infusion Pharmacies**

If you are in need of Home Infusion Pharmacy services, please work with your prescribing provider to begin services. If you have additional questions you can contact an Infusion pharmacy in your area or call our Member Services department at the number listed on the back of this booklet.

## **Long-Term Care Pharmacies**

Residents of a long-term care facility may access their prescription drugs covered under Prominence Health Plan through the facility's long-term care pharmacy or another network long-term care pharmacy.

If your long-term care facility does not provide services or if you are interested in other options, talk to your prescribing provider or contact one of our long term care pharmacies listed below or call our Member Services department at the number listed on the back of this booklet.

## **Indian Health Service/Tribal/Urban Indian Health Program (I/T/U) Pharmacies**

Only Native Americans and Alaska Natives have access to Indian Health Service/Tribal/Urban Indian Health Program (I/T/U) Pharmacies through Prominence Health Plan's pharmacy network. Those other than Native Americans and Alaskan Natives may be able to access these pharmacies under limited circumstances (e.g., emergencies).
