Sección 1: Introducción

En este directorio, se proporciona una lista de los proveedores de la red de Prominence Health. Para obtener información detallada sobre su cobertura de atención médica, consulte su Certificado de cobertura (Evidence of Coverage, EOC).

Tendrá que elegir uno de los proveedores de nuestra red que se indican en este directorio para que sea su proveedor de atención primaria (**P**rimary **C**are **P**rovider, PCP). Por lo general, debe recibir sus servicios de atención médica por parte de su PCP.

Existen varios tipos de proveedores que pueden desempeñarse como su PCP e incluyen proveedores de medicina familiar, medicina general, medicina interna y medicina geriátrica. Además, una mujer puede derivarse a sí misma a uno de nuestros especialistas en salud de la mujer (es decir, ginecólogo obstetra/ginecólogo) que se indican en el directorio para recibir servicios rutinarios anuales de salud de la mujer, como una prueba de Papanicolaou, un examen pélvico y un examen mamario.

La función de su proveedor de atención primaria (PCP)

Su PCP es un proveedor que cumple con los requisitos estatales y está capacitado para proporcionarle atención médica básica de rutina y preventiva. Usted recibirá atención médica preventiva y de rutina por parte de su PCP, así como derivaciones cuando sea necesario para que consulte a un especialista a fin de recibir un diagnóstico, tratamiento y atención especializados.

El PCP le ayudará a organizar o coordinar los servicios cubiertos, como las radiografías, las pruebas de laboratorio, las terapias, las hospitalizaciones y la atención de seguimiento que reciba. El PCP y cualquiera de los especialistas de nuestro plan también obtendrán autorización previa con el plan en su nombre. Determinados exámenes, procedimientos y servicios requieren autorización previa para coordinar la atención médica y asegurar que el tratamiento que reciba sea el más adecuado para su afección de acuerdo con los estándares de atención médica de reconocimiento nacional.

Debido a que su PCP proporcionará y coordinará su atención médica, usted debe solicitar que se envíen todos sus antecedentes médicos al consultorio del PCP.

Los proveedores de la red que se indican en este directorio han aceptado proporcionarle servicios de atención médica. Puede ir a cualquiera de los proveedores de nuestra red que se indican en este directorio. Si ha estado consultando a un proveedor de la red, no es obligatorio que continúe consultando a ese mismo proveedor. En algunos casos, puede recibir servicios cubiertos por parte de proveedores que no perteneces a la red. Hay otros proveedores en nuestra red.

Instrucciones para las facturas sobre servicios que reciba de proveedores que no pertenecen a la red

Prominence Health cubrirá algunos servicios de atención médica que usted podría recibir por parte de proveedores que no pertenecen a la red. Estos servicios incluyen la atención en casos de emergencias médicas, la atención de urgencia y la diálisis renal que recibe cuando viaja fuera del área de servicio del plan, y la atención que Prominence Health ha aprobado por adelantado o que se ha decidido que tenga cobertura a través de un proceso de apelación.

Si un proveedor que no pertenece a la red le proporciona una factura por servicios prestados en estas situaciones, comuníquese con Servicios al Afiliado al 855-969-5882 de 8 a. m. a 8 p. m., los siete días de la semana desde el 1.º de octubre hasta el 31 de marzo, y de lunes a viernes desde el 1.º de abril hasta el 30 de septiembre. Los usuarios de TTY deben llamar al 711. En los casos en que un proveedor que no pertenece a la red le envíe una factura directamente a usted, no debe pagarla, sino que debe enviarla al plan para procesarla y determinar su responsabilidad financiera, si corresponde.

Instrucciones para recibir atención de emergencia y atención de urgencia cuando viaja fuera de nuestra área de servicio

Siempre puede recibir atención de emergencia dentro o fuera del área de servicio de Prominence Health por parte del proveedor disponible más cercano. En el caso de una lesión o una enfermedad que ponga en riesgo su vida, llame al 911 de inmediato.

Si necesita recibir atención cuando viaja fuera del área de servicio de Prominence Health, su cobertura de atención médica es limitada. Los servicios cubiertos incluyen la atención de emergencia (incluida la atención hospitalaria y de mantenimiento hasta que se estabilice su afección y puedan darle de alta del hospital de forma segura o trasladarlo a un hospital de la red), la atención de urgencia, la diálisis renal (riñón) y la atención que Prominence Health o un proveedor del plan ha aprobado por adelantado.

Si no está seguro de si sus síntomas requieren atención médica de urgencia o de emergencia, le recomendamos que se comunique con su PCP para analizar su afección y que siga los consejos del médico sobre el tratamiento.

Debe acudir a proveedores de la red, excepto en situaciones de atención de emergencia o de urgencia, o para recibir diálisis renal fuera del área de servicio. Si obtiene atención de rutina por parte de proveedores que no perteneces a la red, ni Medicare ni Prominence Health serán responsables de los costos.

¿Cuál es el área de servicio de Prominence Health?

El condado que se encuentra en nuestra área de servicio se indica a continuación:
- Cooke, Fannin and Grayson

¿Cómo busca proveedores de Prominence Health en su área?

Para elegir un PCP del Directorio de proveedores y farmacias, vaya a la sección Proveedores de atención primaria para consultar una lista de proveedores de atención primaria en su área. También puede llamar a Servicios al Afiliado. Tenga en cuenta que, si no elige un PCP al inscribirse, seleccionaremos uno para usted en función de donde vive. Si desea cambiar a otro PCP, puede hacerlo en cualquier momento llamando a Servicios al Afiliado. El nombre y el número de teléfono del consultorio de su PCP están impresos en su tarjeta de afiliado.

Si tiene una emergencia, hablaremos con los médicos que le brindan la atención de emergencia para ayudar a administrar su atención y hacer un seguimiento de esta. Estos médicos decidirán cuándo su afección está estable y la emergencia médica ha terminado. Después de que la emergencia haya terminado, tiene derecho a recibir atención de seguimiento para asegurarse de que la afección continúe estable. Nuestro plan cubrirá la atención de seguimiento. Si proveedores fuera de la red brindan la atención de emergencia, intentaremos que proveedores que perteneces a la red se hagan cargo de su atención apenas lo permitan las circunstancias y su afección médica.

Servicio de atención personalizada

El servicio de atención personalizada es un servicio en el que el paciente paga una tarifa adicional al médico. Prominence Health no cubre los anticipos del servicio de atención personalizada. Se trata de acuerdos independientes entre un paciente y su médico, y se deben documentar por escrito entre estas dos partes. Los afiliados son responsables de pagar esas tarifas si consultan a un médico con servicio de atención personalizada.

Prominence Health Plan
2027 Pharmacy Directory

Introduction

This booklet provides a list of Prominence Health Plan's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Prominence Health Plan's formulary.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Prominence Health Plan only if they are filled at a network pharmacy, or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of November 1, 2026.
